<b>Report /Comments</b>	<p>Brent Leech took top honours including 4 of the top 7 places in the Champion line up.The winner was an excellent example of a true to type Border.</p> <p>The Novice section was headed by Norman Hughes. Colin Farmer had several winners amongst the top seven.</p> <p>The quality of birds on display was tremendous although the quantity was down on last year which was dissapointing following great feedback and positive comments from all exhibitors.</p>
