

The North Of Scotland Border and Fife Show

Longmore Hall ,Keith, 26th November 2017.

The Judge was Mr R Curley from Inverness.

Numbers were disappointing with only one novice exhibitor showing and only one junior exhibitor showing, and a few champions the reason being a lot of people giving up their hobby in keeping birds and there are no new people coming into the club.

Mr Curley went about his judging and he awarded the prizes as follows:--
