# NOTES

## Opening/Closing Times

This year the Show will open from 1.30 pm to 4 pm on the Saturday and from 9 am to 1.30 pm on the Sunday. This will allow Exhibitors and Visitors to get further on their way home during daylight.

## Lifting Procedure

All Exhibitors will be allowed into the Show Hall at one time at the end of the Show. They will lift their own birds from the staging and once they are sure they have their own birds, Exhibitors will be allowed to leave the Show Hall.

## Parking

If you have previously parked in the car parks at Asda, Tesco or other shops in that Area, please refrain from doing so unless you intend to be there less than 2 hours. A Private Parking Firm is now employed to Police these parks and anyone parking longer than 2 hours receives a £125 Parking Ticket. Please park in the Areas where you previously left your vehicles, prior to those shops coming to the area, but do watch for any parking restrictions.

## Canteen

The Canteen which is now situated in the Show Hall will be open to serve Teas, Coffees, Bacon Rolls and Light Lunches while Judging is in progress and until the Show Hall Opens. Thereafter as last year. An area of the Show Hall will be set aside with tables and chairs.

# SCOTTISH GOVERNMENT RULES

The Border Canary Association has been granted a Licence from the State Veterinary Service to hold its 2017 Annual Show.

The conditions of the Licence mean the following rules **must** be adhered to.

1. All exhibitors must cleanse and disinfect show cages and carrying boxes before the event and they should be cleansed and disinfected on return home before they are used to hold any other birds.
2. All litter and manure within the cages and cases must be disposed of in a manner which does not present a risk of spread of disease eg in sealed bags for normal refuse collection. Any spillages outside the cage must be cleansed and disinfected immediately.
3. A Veterinary Surgeon will be on call during the period of the Show and can be contacted should any problems arise.
4. Sales are allowed to take place and a record of all sales must be retained. The information required will be details of buyer and seller plus description of bird bought. Buyers must keep purchased birds separate from any other birds for a period of one week.

# CLASSIFICATION
