Foreword

Welcome to the 2018 Wessex Open Show

What a year this has been, several members have decided to call it a day, reports of bad breeding results and our long serving Chief Steward, John Hocknull will be unable to perform his duties this year. Due to circumstances outside of the norm, Howie will also have to forego his usual excellent work as our Show Secretary, therefore bear with us as we will all be rolling up the sleeves to make this fine club work. We are hopeful that normal service will be restored in due course. We will as usual strive to make your time with us as pleasant as possible and will continue to try to give good "Specials" to the winning birds.

In honour of the guys that founded this great club we will all strive to continue what they started.

We look forward to seeing you and your birds at our show/s and if you require any further information please don't hesitate to contact myself. Ian Perrier. Because the jobs are being shared out this year please use me as first point of contact.

Here's wishing you all a good experience at the Wessex and throughout the show season.
