Covid 19 Precautions on the Day

Due to the ongoing pandemic unfortunately, we have to put in force some simple rules to keep our valued members and exhibitors safe.

1. This year we can only allow fanciers who have benched birds, and officials into the show hall.
2. We intend to mark the floor with a one-way system around the staging and also give guidance with distance markers on the floor.
3. When entering birds, we ask that fanciers take their turn in a manner that does not congest the doorway into the hall.
4. Anyone wishing to wear a mask is more than welcome to do so.
5. Hand sanitiser will be available in and around the hall.
6. Windows will be opened for ventilation throughout the day.
7. We can offer tea coffee, cold sandwiches and cakes from the canteen area, but unfortunately hot food will not be available this year. Bawtry offers cafes facilities within walking distance of the show hall if anyone wishes something more substantial.

We sincerely hope everyone understands that these restrictions are in place to keep everyone as safe as possible, and run a show that everyone can enjoy.

All of the above information will be in the 2021 show schedule.

Thank you for your ongoing support and hope to see you all soon.

Regards

Doncaster committee.

Talk By Ronnie Sillitoe During Judging

Ronnie Sillitoe will be giving a talk throughout the morning and has also offered to do a questions and answers session.

Ronnie has asked if we can get this underway now by submitting any questions for him via our fb page or email, so he can format them for the day.
