

British Border 2023 Report

My thoughts on the 2023 season that's just ended. With a lot of clubs having increased entries, and quiet a few new partnerships it wasn't all doom and gloom.

I would like to thank and give the ladies a mention, Margaret South, Anita Britton, Jackie Symonds and Margaret Hamlette and Jill Ward who sorted the catering out over the weekend when Tim was informed that the caterers were unable to come to the show on the Thursday.

Well done also to:-

Stuart Mason for managing to running Doncaster show after having heart procedures. Tractor boy Mark Symonds was leading champion at most of the shows.

Cliff & Anita Britton for the number of birds they entered at all shows. The North East lads did well at shows as well S Percy and B&P Heathcoate and I. Wishhart. J South, N Tench, W Williams, R Stevenson.

Well done Colin Egner nice to see his name in the winners, most pleasing thing for me really was seeing Brian Wragg and son David back showing.

Big thanks to the European Judges that came to Judge Andre and Vitor Neves.

As per usual Tim spread himself far and wide the Fancy is lucky to have him.

Congratulations to everyone all the best for 2024 have a good one.
